

HERBICIDE APPLICATION NOTICE

It is mandatory for each facility to post this notice on their school website in addition to the site notices that will be posted by our grounds personnel. These actions satisfy our due diligence to provide public notification as required by law. Thank you for your assistance with this matter.

The Facilities Department hereby gives notice that the Redmond School District grounds personnel will be spot spraying weeds districtwide on the following dates between 6 a.m. – 12:30 p.m., weather permitting.

**Site: DISTRICTWIDE
Dates: 3/24-3/31/2023**

These grass areas will be posted as closed for four hours or until the grounds personnel have determined the product being applied has had sufficient time to dry on the vegetation. Please notify staff and the public of this application at least 24-hours in advance of the application date.

The product being applied is listed below. The safety data sheet is located in the red SDS binder at your facility.

EPA #241-416, 42750-61 & 19713-60

Type of Products – Selective Herbicide
