Unified Sports First Annual Summer Kickoff

(Above) Students from Ridgeview High School do the YMCA at the First Annual Summer Kickoff. The Kickoff was a fun-filled event that included students from Redmond and surrounding School Districts. Many community partners who showed up to support our athletes. The event included a kickball tournament, resource fair, barbeque cookout and leisure activities. This year both RHS and RVHS earned the distinguished honor of being Unified Champion Schools for their inclusivity.

No School May 29, 2023
Covid vaccination requirements for teachers and school staff in private and public education settings will lift June 17, according to the Oregon Health Authority. Covid vaccination is not a requirement for students in the State of Oregon at this time. However, there are other vaccine requirements for students in Oregon. Vaccinations are available by appointment at our School-based Health Clinics if needed. Please see the updated communicable disease guidance from OHA below.

Please **do not send an ill student to school.**

Contact your health care provider about any SERIOUS ILLNESS or if you are worried about your student’s health.

Notify the school if your child is diagnosed with a CONTAGIOUS DISEASE, including: chickenpox, diarrhea caused by E. coli or Salmonella or Shigella, hepatitis, measles, mumps, pertussis, rubella, scabies, tuberculosis, or another disease as requested. The school will protect your private information as required by law.

Also notify the school if your student requires MEDICATIONS during school hours.

Follow school protocols for medication at school. If your student’s illness requires antibiotics, the student must have been on antibiotics for at least 24 hours before returning to school, and longer in some cases. Antibiotics are not effective for viral illnesses.

Notify the school if your student has an UNDERLYING OR CHRONIC HEALTH CONDITION. We will work with you to address the health condition so that the student can learn.
